DIRECTORS' REPORT

Dear Members,

The Board of Directors of your Company have great pleasure in presenting the 7th Annual Report together with the Audited Financial Statements for the financial year ended March 31, 2022.

FINANCIAL RESULTS

The summary of financial performance of the Company for the year are as under:

(Rupees in Crores except EPS)

Particulars	2021-22	2020-21
Total Revenue from Operations	65.35	58.16
Total Expenditure	49.16	36.03
Profit / (Loss) before provision for tax	16.19	22.13
Tax Expense	3.36	4.45
Net Profit / (Loss) after tax	12.83	17.68
Other comprehensive income/(loss)	0.22	0.01
Total Comprehensive Income	13.05	17.69
Earnings / (Loss) per Share (Basic & Diluted)	0.51	0.71

PERFORMANCE REVIEW

The Company's gross income for the financial year ended March 31, 2022 increased to Rs. 65.35 crore as compared to Rs. 58.16 crore in the previous financial year thereby registering an increase of 12%. The profit before tax of the Company is Rs. 16.19 crore during the year. The net profit for the year is Rs. 12.83 crore Asset Under Management (AUM) were at Rs. 491.31 crore as at March 31, 2022 as against Rs. 451.22 crore as at March 31, 2021.

DIVIDEND

In view of the planned business growth, your Directors deem it proper to preserve the resources of the Company for its activities and therefore, do not propose any dividend for the financial year ended March 31, 2022. The Directors also inform that the Company has not declared any interim dividend during the year.

ACCOUNTING METHOD

The Financial Statements of the Company have been prepared in accordance with the Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 and other provisions of the Act. The details of the accounting treatment followed during the financial year are mentioned in Notes to Financial Statement.

MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY

No material changes and commitments affecting the financial position of the Company occurred during and at end of the financial year to which these financial statements relate on the date of this report.

CHANGE IN NATURE OF BUSINESS

There was no change in the nature of the business of the Company.

PUBLIC DEPOSITS

In accordance with the National Housing Bank Act, 1987, your Company is a non-deposit taking Housing Finance Company and had declared that it has not and shall not accept deposit as per the terms and conditions of the registration provided by National Housing Bank.

IMPACT OF COVID-19

The year gone by (FY 21-22) has been a mixed bag for us in terms of hits & misses. The stress on cash flows of borrowers caused by the pandemic also renewed demand for restructuring. The restructured book is expected to reduce slightly, driven by recoveries and slippages. Your Company had made improvement in cash flows through loan repayment from its borrowers, monetization of assets and further reduction in overhead expenditure. Pandemic's hard impact on the affordable buyer class and growing demand for additional space in homes due to Work from Home are the key reasons for the change in homebuyer's trend.

The Company referring to its 'Business Continuity Plan' and 'Risk Management Framework' managed to minimize the impact of the pandemic on its employees and ensured that the Company remains operational. The Company had implemented 'work from home policy' to ensure that employees stay safe and business remains operational. Our primary focus is the health and safety of our staff and ensuring the continuity of our operations. Pursuant to Notifications issued by the Reserve Bank of India (RBI) in respect of COVID-19 - Regulatory Package, the Company gave borrowers an option to defer their EMI's/ Moratorium.

Despite all economic challenges faced by the Company, your Company continued to drive business/operations improvement through structured plans and digitization wherever possible. This enabled the Company to maintain its profitable growth even in the prevailing situation/conditions.

However, since opening up of the economy, all have seen their collection efficiencies gradually returning to pre-COVID levels. Adapting to the restrictions of the imposed lockdowns, Banks, NBFCs and HFCs are ramping up their digital initiatives in order to keep up the loan book growth and to attend to the customer requirements.

REVIEW OF BUSINESS & OPERATIONS OF THE COMPANY

Your Company is registered as a Housing Finance Company ("HFC") with National Housing Bank ("NHB") and Reserve Bank of India to carry out the housing finance activities in India. KHFL continues to focus on affordable housing segment, catering specially to the aspirations of low and middle-income Indian families who dream to own their homes. It is engaged in on-lending business for Retail housing loans to customers belonging to Middle Income Group (MIG) & Low Income Group (LIG). Company's 100% portfolio is retail and organic i.e. NIL bought portfolio and NIL builder loan.

The Business profile of KHFL is majorly tilted towards formal, salaried category as compared to informal and self-employed segment, which is low risk customer profile with an average ticket size of Rs. 9.04 Lakhs hence over all NPA risk for KHFL remains low.

FOIR & LTV Ratios Band

Average FOIR and LTV of all customers is 42% and 54% respectively.

Our product wise yield in home loan sector is 12.80% and Non Home Loan sector is 15.41%.

We received subsidy for 27% of Home Loan portfolio as on March 31, 2022.

Penetration towards direct sourcing with a healthy mix of Business Associates who made our presence strong in every hook & corner of the city is our driving force. Conscious Profile & Product mix of the portfolio helped us to keep our delinquency in control.

Your Company has recorded an income of Rs. 65.35 crore as against Rs. 58.16 crore in the previous year and the profit after tax is Rs. 12.83 crore.

HOLDING COMPANY

The Company does not have any holding Company, subsidiaries, Associates or Joint Ventures.

TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND

Since your Directors have neither declared any interim dividend during the year under review nor recommended any final dividend, there is no unpaid dividend of earlier years which has been transferred or due to be transferred to Investor Education and Protection Fund during the year.

TRANSFER TO RESERVES

During the year under review, your Company has transferred Rs. 2.98 crore to Statutory Reserve as required under section 29C of National Housing Bank Act, 1987 equivalent to 20% of profit after tax or deduction claimed u/s 36(1)(viii) of Income Tax Act, 1961, whichever is higher.

CAPITAL STRUCTURE

During the year under review, there has been no change in authorized, subscribed and paid-up Capital of your Company.

The capital structure of the company is as follows:

Share Capital	Amount (in Rs.)
Authorized Share Capital (250,000,000 Equity Shares of Rs. 10 each) as on March 31, 2022	250,00,00,000
Issued, Subscribed and Paid- up Capital as on March 31, 2022 (249,986,452 Equity Shares of Rs. 10 each)	249,98,64,520
Less -Share issue cost	47,50,000
Total share capital after IND AS adjustments	249,51,14,520

DIRECTORS

The Composition of Board are as under:-

Sr. No.	Name of the Directors	DIN	Designation	Appointment Date	Tenure
1	Shri. Rajesh Parmanand Khandwala	00477673	Chairman & Managing Director (Executive)	November 16, 2015	5.5 years
2	Shri. Vimal Parmanand Khandwala	00477768	Managing Director (Executive)	November 16, 2015	5.5 years
3	Shri. Padmanabh Pundrikray Vora	00003192	Independent Director (Non-Executive)	March 04, 2016	5 years
4	Smt. Bhavna Govindbhai Desai	06893242	Independent Director (Non-Executive)	December 01, 2020	1.4 years
5	Shri. Kartik Shailesh Mehta	02083342	Non-Executive Director	March 04, 2016	5 years
6	Smt. Purvi Jayesh Bhavsar	02102740	Non-Executive Director	March 04, 2016	5 years

There was no appointment and resignation during the year under review.

In accordance with the provisions of the Companies Act, 2013 and Articles of Association of the Company, Smt. Purvi Bhavsar is liable to retire by rotation at the ensuing Annual General Meeting and the Director is eligible for re-appointment.

All the Directors of the Company have confirmed that they satisfy the fit and proper criteria as prescribed under the applicable regulations and that they are not disqualified from being appointed as Directors in terms of Section 164(2) of the Companies Act, 2013.

The Company has received necessary declaration from each Independent Director under Section 149(7) of the Companies Act, 2013 (Act) that they meets the criteria of independence laid down in the Act and SEBI (Listing Obligations and Disclosures Requirements), Regulations 2015 as amended.

The Board is of the opinion that the Independent Directors of the Company possess requisite qualifications, experience and expertise and both the Independent Directors of the Company have registered their names with the data bank created for Independent Directors

The details on the number of board/committee meetings held are provided in the Report of the Directors on Corporate Governance, which forms part of this report.

KEY MANAGERIAL PERSONNEL

Pursuant to the provisions of Section 203 of the Companies Act, 2013 read with Rules made thereunder, following are the Key Managerial Personnel of the Company-

EXTRACT OF ANNUAL RETURN

Pursuant to Section 92(3) of the Companies Act, 2013 read with Rule 12(1) of the Companies (Management and Administration) Rules, 2014, an extract of the Annual return as on March 31, 2022 as Annexure I forms part of this report.

The Extract of Annual Return is also available on the website of the Company at <https://www.kifshousing.com/annualreturn.html>.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS MADE WITH RELATED PARTIES PURSUANT TO SECTION 188 OF THE COMPANIES ACT, 2013

In accordance with the provisions of Section 188 of the Act and rules made thereunder, the transactions entered with related parties are in the ordinary course of business. Some of the transactions are on an arm's length pricing basis and some are not at arm's length basis, the details of which are included in the notes forming part of the financial statements. The particulars of contracts or arrangements with related parties as prescribed in Form No. AOC-2 of the Companies (Accounts) Rules, 2014, is annexed to this report in Annexure II.

The Policy on Related Party Transactions can be accessed at <https://www.kifshousing.com/policies.html>.

EVALUATION OF PERFORMANCE OF BOARD, ITS COMMITTEES, AND INDIVIDUAL DIRECTORS:

Pursuant to provisions of section 134(3)(e) of the Companies Act, 2013 and Nomination, Remuneration & Evaluation Policy of the Company, the Board of your Company has carried out an annual evaluation of its own performance and that of its Committees as well as reviewed the performance of the Directors individually for financial year 2021-2022. The performance evaluation of the Non-Independent Directors and the Board as a whole, was carried out by the Independent Directors. The Independent Directors also carried out the evaluation of the Chairman of the Company, considering the views of Non-Executive Directors and also assessed the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties. The Directors also carried out performance evaluation of the Managing Directors of the Company.

The evaluation was carried out through a rating based structured questionnaires prepared in accordance with guidance note issued by ICSI on performance evaluation, it covered various parameters which were different for different categories of Directors, in all it included questions/pointers with respect to appropriate expertise and experience, integrity, clear mission statements, policies, and strategy formulation and execution, effective organization structure, ensuring that there is management focus on key functions, working relationships, product/service knowledge, personal qualities, leadership, financial planning / performance, external relations, knowledge and skill, participation at Board/ Committee Meetings etc.

The Directors have expressed their satisfaction with the parameters of evaluation, the implementation and compliance of the evaluation exercise done.

ANNEXURE-III

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY ("CSR") ACTIVITIES

1. Brief outline on CSR policy of the Company.

The Companies Act, 2013 ("Act") has made it compulsory for Companies to carry out Corporate Social Responsibility Activities. The Government of India, on February 27, 2014, notified provisions and corresponding rules pertaining to CSR. Corporate Social Responsibility is a Company's sense of responsibility towards the community and environment in which it operates. It is the continuing commitment by business to behave ethically and contribute to economic development of the society at large. KIFS is committed to remain a responsible corporate entity mindful of its social responsibilities and to make a positive impact in the society.

The CSR Policy applies to the formulation, execution, monitoring, evaluation and documentation of CSR activities in the target locations in and around the Company's office.

Any Member interested in obtaining a copy of the said statement may write to the Company Secretary at the Registered Office of the Company.

ANNEXURE V

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We are on a journey called PROGRESS.

Indian Economic Review

According to the economic survey 21-22, Investment, as measured by Gross Fixed Capital Formation (GFCF) is expected to see strong growth of 15 per cent in 2021-22 and achieve full recovery of pre-pandemic level. It notes that inflation has reappeared as a global issue in both advanced and emerging economies. The surge in energy prices, non-food commodities, input prices, disruption of global supply chains, and rising freight costs stoked global inflation during the year.

It is not just about the immediate disruptions and uncertainty caused by repeated waves of the pandemic, but also the longer-term uncertainty about the post-Covid world due to accelerated shifts in technology, consumer behaviour, supply-chains, geo-politics, climate change and a host of other factors. Not only are these individual factors difficult to forecast, the impact of their interactions are fundamentally unpredictable.

The Survey pointed out that the last two years have been difficult for the world economy on account of the COVID-19 pandemic. Repeated waves of infection, supply-chain disruptions and more recently, global inflation have created particularly challenging times for policy-making. In conclusion, it is quite optimistic that overall macro-economic stability indicators suggest that the Indian Economy is well placed to take on the challenges of 2022-23 and one of the reasons that the Indian Economy is in good position is its unique response strategy.

COVID Impact

Housing Finance companies and Non-Bank Finance Companies have been impacted by COVID-19 by way of operational disruptions, subdued collections and requirement of creating additional provisions to meet the post-COVID uncertainties.

Vaccine rollout in major world economies has raised hopes of higher economic growth. However, the bounce back will also be largely dependent on controlling the pandemic in low-income and emerging market economies. The future of global economic growth will depend on three major factors: the evolution path of the health crisis, including whether the new COVID-19 strains prove susceptible to vaccines or they prolong the pandemic; the effectiveness of policy actions to limit persistent economic damage; and the evolution of financial conditions across countries and the adjustment capacity of their economies.

Industry Overview

The housing credit market in India has soared over the years to 23 trillion in Fiscal year 2021, clocking a CAGR of 18% over the years from fiscal 2014 to fiscal 2021. The contribution of housing credit to the country's GDP was 11.4% in fiscal 2021.

As per ICRA, the overall housing portfolio of banks/HFCs stood at 24 lakh crore at September 30, 2021, of which HFCs contributed around 33%.

The report said the stress on cash flows of borrowers caused by the pandemic also renewed demand for restructuring. The industry's outstanding restructured portfolio increased to around 2.3 per cent of assets under management (AUM) as of September 30, 2021.

As the second wave of COVID pandemic hit at the beginning of fiscal 2022, the government along with RBI announced scheme of measures with the purpose to inject liquidity and ease the burden of priority sectors.

HFCs are likely to witness a growth of 8-10 per cent in fiscal year 2022 due to rise in economic and higher demand. The second wave of the pandemic impacted disbursements collection efficiency of the HFC industry, and the industry's on-book portfolio remained flat at end of first quarter of fiscal 2022 vis-à-vis fourth quarter of fiscal 2021. However, the collection efficiency started bouncing back by the end of June 2021 and improved further in the second quarter of the financial year 2022.

Nevertheless, despite nil sequential growth in Q1 FY2022, aforementioned favourable factors provide hope for better growth prospects in FY2022 with an estimated growth rate of 8-10 per cent. The collection efficiency for the industry has returned to pre-COVID levels.

Financial Performance of KHFL

Despite an extremely challenging year due to the ongoing pandemic, the Company ably navigated the difficult macroeconomic environment and ended FY 2021-22 on strong financial footing. The Company's balance sheet stood at 617.85 Crores as at end of FY 2021-22. Total loan book stood at Rs. 491.31 Crores. The Company's revenues for the year ended March 31, 2022 were Rs. 65.35 Crores and profits for the year were Rs.12.83 Crores. Asset quality remained stable with Gross NPAs of 1.08% and Net NPAs of 0.62%. Total provisions stood at Rs. 8.77 Crores, almost 4 times the regulatory requirement and equivalent to a healthy 1.79% of loan book. The Company is also one of the best capitalized amongst peers with capital adequacy ratio of 90.54% on a standalone basis.

Operational Highlights

Despite challenging macro-economic conditions, the Company's focus on building a strong balance sheet through FY 2021-22 yielded results with augmented capital adequacy levels, stable asset quality, high provision buffers and comfortable liquidity on its balance sheet.

As at March 31, 2022, on a standalone basis, the product-wise break-up of loans consisted 86% as housing loans and 14% as non-housing loans. The Company's asset quality is stable with a high provision buffer. Gross NPAs at a consolidated level were at 1.08% and Net NPAs at 0.62% of total loan assets managed. Total provision buffer of Rs. 8.77 Crores at a consolidated level, represents 1.79% of loan book.

Branch Network

Your Company had expanded its footprint with focus on affordable housing finance business, with a total of 75 branches/offices as on March 31, 2022.

Resource Mobilization

KIFS Housing had no investment in excess of the limits prescribed by NHB with any one company or any single group of companies. KIFS Housing has not made investment in any of the promoter group companies during the year.

The Company is making extra provision beyond NHB norms.

Risk Management

KHFL has a Risk Management framework approved by the Board of Directors. Risk Management Framework provides the mechanism for risk assessment the Company has an Asset Liability Management (ALM) policy approved by the Board. During the year, the Risk Management Committee reviewed the risks associated with the business of Company, its root causes and the efficacy of the measures taken to mitigate the same. The observations of the Risk Management Committee if any, on the key risks associated with the business and ALM are reported to the board from time to time. KIFS Housing manages various risks like financial risk, operational risk, marketing risk, external risk and regulatory risks associated with the mortgage business. The Board of Directors also reviews the key risks associated with the business and ALM of the Company, the procedures adopted to assess the risks, efficacy and mitigation measures.

Internal Audit Control, Internal Financial Control and their Adequacy

KIFS Housing has an adequate system of internal control in place which has been designed to provide a reasonable assurance with regard to maintaining of proper accounting controls, monitoring of operations, protecting assets from unauthorized use or losses, compliance with regulations and for ensuring reliability of financial reporting. KIFS Housing has robust internal audit programme, where the internal auditors, an independent firm of chartered accountants, conduct a audits with a view to not only test adherence to laid down policies and procedures but also to suggest improvements in processes and systems which are further discussed with the management and appropriate measures and actions are taken thereafter. Internal audit observations and recommendations are reported to the Audit Committee, which monitors the implementation of such recommendations

The Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal financial control over financial reporting includes those policies and procedures that-

- Pertains to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Information System Audit

In terms of the Information Technology Framework for HFCs dated 15 June 2018, HFCs are required to have an information system audit at least once in 2 years.

During the year under review, a system audit was conducted by M/s. Gattani Jajoo and Company, Chartered Accountants, an empanelled audit firm. The areas audited were IT General Controls, Cyber Security Controls and Information Security. Necessary continuous improvement actions have been taken in line with the audit observations.

ANNEXURE VI
Form No. MR-3
SECRETARIAL AUDIT REPORT

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule no. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
KIFS HOUSING FINANCE LIMITED
B-81, Pariseema Complex, C. G. Road,
Ellisbridge, Ahmedabad Gujarat- 380006.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **KIFS Housing Finance Limited (CIN: U65922GJ2015PLC085079)** (hereinafter called 'the Company') for the year ended on 31st March, 2022 (the 'audit period'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit; we hereby report that in our opinion, the Company has, during the audit period complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

1. The Companies Act, 2013 (the 'Act') and the Rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made thereunder [**Not Applicable during the Audit period**]
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings [**Not Applicable during the Audit period**]
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015. [**Applicable Limited to the extent of Listed Debt Securities**];
 - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 [**Not Applicable during the Audit period**];
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 [**Not Applicable during the Audit Period**];
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client [**Not Applicable during the Audit period**];

(e) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. [**Applicable Limited to the extent of Listed Debt Securities**];

(f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008. [**Not Applicable during the Audit period**];

(g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 [**Not Applicable during the Audit period**];

(h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 [**Not Applicable during the Audit period**];

6. We further report that based on the information received and records maintained by the Company, in our opinion the Company has complied with the provisions of:

(a) Master Direction Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021, issued by Reserve Bank of India.

(b) The National Housing Banking Act, 1987;

(c) The Housing Finance Companies (NHB) Directions, 2010 as amended from time to time.

(d) National Housing Bank Circulars, Notifications and guidelines as applicable.

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI).

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

7. We further report that –

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Women Director and Independent Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and where the same were given at shorter notice than seven days, prior consent thereof were obtained and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the meetings of the Board of Directors of the Company and at Committees were carried through on the basis of majority and views of the members are captured and recorded as part of the minutes.

We further report that –

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with the applicable laws, rules, regulations and guidelines.

8. We further report that during the Audit Period:

(a) Mr. Rajesh P. Khandwala (DIN:00477673) was re-appointed as Managing Director of the Company for the period of 5 years with effect from 4th March, 2021 till 03rd March, 2026 at the 6th Annual General Meeting dated 1st July, 2021.

(b) Mr. Vimal P. Khandwala (DIN:00477768) was re-appointed as Managing Director of the Company for the period of 5 years with effect from 4th March, 2021 till 03rd March 2026 at the 6th Annual General Meeting dated 1st July, 2021.

(c) Mr. Deepak Kumar Ajmera, CFO of the Company resigned from the post w.e.f 7th March, 2022. As on the financial year end dated 31st March, 2022, the office of CFO is vacant and the Company is in process to fill the same.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To
The Members of KIFS Housing Finance Limited

Report on the financial statements

Opinion

We have audited the accompanying financial statements of **KIFS Housing Finance Limited** ('the Company'), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as 'the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that the matters described below to be the Key Audit Matters to be communicated in the Report:

Sr. No.	Key Audit Matters	How was the matter addressed in our audit
	<p><u>Impairment of Loans as at Balance Sheet Date (Expected Credit Losses):</u> <u>(Refer Note No. 7 & 39 to the financial statements)</u></p> <p>Ind AS 109 requires the Company to provide for impairment of its loans designated at amortised cost using the expected credit loss (ECL) approach. ECL involves an estimation of probability weighted loss on loans receivable over their life, considering reasonable and supportable information about past events, current conditions and forecast of future economic conditions which could</p>	<p>We have performed following audit procedures:</p> <p>(a) Assessed Company's accounting policies for impairment of loans and their compliance with Ind AS.</p> <p>(b) Assessed Company's policies with respect to moratorium pursuant to the Reserve Bank of India circular dated 27th March, 2020 ("RBI circular") allowing lending institutions to offer moratorium to borrowers.</p>

Sr. No.	Key Audit Matters	How was the matter addressed in our audit
	<p>impact the credit quality of the Company's loan receivables.</p> <p>In the process, significant degree of judgment has been applied by the management for;</p> <ul style="list-style-type: none"> (a) Staging of the loan receivable (i.e., classification in significant increase in credit risk (“SICR”) and default categories) (b) Grouping of borrowers based on category of loans. (c) Estimation of life of loans under various stages for each category, recoverable amounts in case of defaults etc. (d) Determining macro-economic factors impacting the credit quality of loans (e) Estimation of losses for loans receivable with no / minimal historical defaults. (f) Determination of whether restructuring of principal / interest to a borrower under regulatory directions resulting in restructuring conclusion under Ind AS is subject to interpretation/judgment. <p>In financial year 2021-22, the Company has continued additional floating provision made in financial year 2020-21 on account of Covid-19 amounting to Rs 36.35 lakhs.</p> <p>Since the loan receivable form major portion of Company's assets and due to the significance of judgments used in classifying loans into various stages as stipulated in Ind AS 109 and determining related impairment provision requirements as accentuated by Covid-19 pandemic, this is considered to be area of key focus of overall Company audit and thus a key audit matter.</p>	<ul style="list-style-type: none"> (c) Evaluated reasonableness of management estimates by understanding the process of ECL estimation and related assumptions and tested the controls around data extraction and validation. (d) Assessed the criteria for staging of financial assets based on their past-due status to check compliance with the requirement of Ind AS 109. Tested a sample of stage 1 assets to assess whether any SICR or loss indicators were present requiring them to be classified under stage 2 and stage 3. (e) Tested the ECL model, including assumptions and underlying computation. Assessed the floor / minimum rates of provisioning applied by the Company for loans receivable with inadequate historical defaults. (f) Assessed the additional considerations applied by the management for staging of loans as SICR or default categories in view of factors caused by Covid-19. (g) Tested a sample of exposures, the appropriateness of determining exposure at default (“EAD”), calculation of probability of default (“PD”) and Loss given default (“LGD”) in calculation.

Information Other than the financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financials Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the **Annexure A**, a statement on the matters specified in the paragraphs 3 and 4 of the order, to the extent applicable.
- 2) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the director is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls refer to our separate report in “**Annexure B**”;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, we report that, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which can have an impact on its financial position in its financial statements.
 - (ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There are no such amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under h (iv) (a) and (b) above, contain any material misstatement.
- (v) During the current year, the Company has neither declared nor paid any dividend.

ANNEXURE – A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) i. The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets;
- ii. The Company has maintained proper records showing full particulars of Intangible Assets.
- (b) The Company has a program of verification to cover all items of property, plant and equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its property, plant and equipment. In our opinion, and according to the information and explanations given to us, no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records, the Company does not have any immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in Property, Plant and Equipment.
- (d) The company has not revalued its Property, Plant and Equipment (including right of use assets) or intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company is in the business of providing loans and does not have any physical inventories. Accordingly, the provision of clause 3(ii)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate, from banks or financial institutions on the basis of security of Loans. Based on our examination of the records of the Company, the quarterly returns/ statements filed by the Company with the said banks / financial institutions are in agreement with books of accounts maintained.
- (iii) (a) The Company is primarily engaged in lending activities and hence reporting under clause 3(iii)(a), of the Order is not applicable to the Company.
- (b) The Company being a Non-Banking Financial Company ('NBFC'), registered under RBI, Act 1934., in our opinion and according to the information and explanations given to us, the investments made, security given and the terms and condition of the grants of loans and advances in the nature of loans, during the year are prima facie not prejudicial to the interest of the Company. The Company has not provided any guarantees during the year.
- (c) In respect of loans given and advances in the nature of loans, the Company has stipulated the schedule of repayment of principal and payment of interest. However, given the nature of business of the Company being NBFC, there are some cases during the year and as at March 31, 2022 wherein the amounts were overdue vis-a-vis stipulated terms.
- (d) In respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount for more than ninety days as at March 31, 2022 except for the following cases:

Rs. in Lakhs

Number of Cases	Principal Amount overdue	Interest amount overdue	Total Amount due
62	528.59	42.66	571.25

According to the information and explanation made available to us, reasonable steps are taken by the Company for recovery of the principal and interest.

- (a) The Company is primarily engaged in lending activities and hence reporting under clause 3(iii)(e), of the Order is not applicable to the Company.
- (b) Based on the information and explanations provided to us, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.
- (I) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees and securities given in respect of which provisions of Sections 185 and 186 of the Companies Act, 2013 are applicable.
- (ii) According to the information and explanations given to us, the Company has not accepted any deposits from the public as per the provisions of section 73, 74, 75 and 76 or any other relevant provisions of the Act and the Rules framed there under to the extent notified.
- (iii) We are informed that maintenance of cost records prescribed by the Central Government of India under section 148(1) of the Act, is not applicable in respect of Company's business.
- (iv) (a) According to the information and explanations given to us and based on the records of the Company examined by us, in our opinion, the Company is generally regular in depositing the undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income-tax, Excise Duty, Custom Duty, Goods and Service Tax, Cess and other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and based on the records of the Company examined by us, in our opinion, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Excise Duty, Custom Duty, Goods and Service Tax, Cess and other material statutory dues, as applicable were in arrears as at 31st March 2022 for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us and based on the records of the Company examined by us, there are no dues of Income Tax, Service Tax, Sales Tax, Excise Duty, Custom Duty, Value Added Tax, Goods and Service Tax, Cess and other statutory dues as at 31st March 2022 which have not been deposited on accounts of any disputes.
- (v) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (vi) (a) According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans and interest on loans from financial institution, bank, and dues to debenture holders.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us, the Company has utilized the term loans obtained from banks during the year for the purposes for which they were obtained, other than temporary deployment pending application of proceeds.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis do not seem to have used during the year for long term purposes.
- (e) The Company does not have any subsidiaries, associates, or joint ventures. Accordingly, reporting requirements of clause 3(ix)(e) of the Order is not applicable to the Company.

- (f) The Company does not have any subsidiaries, associates, or joint ventures. Accordingly, reporting requirements of clause 3 (ix)(f) of the Order is not applicable to the Company.
- (I) (a) In our opinion, and according to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (ii)(a) To the best of our knowledge, no material fraud on or by the Company has been noticed or reported during the year nor have we been informed of any such case by the Management.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report
- (c) As represented by the management, there are no whistle blower complaints received by the company during the year.
- (iii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, reporting as per clause 3 (xii) of the Order is not required.
- (iv) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- (v) (a) In our opinion the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company, in determining nature, timing and extent of our audit procedure.
- (vi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with its directors or persons connected with them. Accordingly, reporting as per clause 3(xv) of the Order is not required.
- (xvi) (a) In our opinion, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934, hence reporting requirement of clause 3(xvi) (a) of the Order is not applicable to the Company.
- (b) The Company is a registered Housing Finance Company (HFC) and holds a valid Certificate of Registration from National Housing Bank and hence reporting under clause 3(xvi) (b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence reporting under clause 3(xvi) (c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us, there is no CIC in the group.

- (xvii) The Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx)(a) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act.
- (b) According to the information and explanation given to us, no amount is remaining unspent towards Corporate Social Responsibility (CSR) ongoing project, which was required to be transferred to special account in compliance with provision of sub-section (6) of Section 135 of the said Act.

ANNEXURE – B TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 2(f) under “Report on Other Legal and Regulatory Requirements” section of our report of even date,

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **KIFS Housing Finance Limited** (“the Company”) as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by ICAI (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITOR'S REPORT

Report on Compliance with the Non-Banking Financial Company - Housing Finance Company (Reserve Bank) Directions, 2021

To
**The Board of Directors of
KIFS HOUSING FINANCE LIMITED**

Background

Pursuant to the Non-Banking Financial Company - Housing Finance Company(Reserve Bank) Directions, 2021 (“the Directions”) which became effective from February 17, 2021, we have examined the matters specified in the Paragraph 70 of the said directions in respect of KIFS Housing Finance Limited (the“Company”) for the year ended 31st March 2022.

Management's Responsibility

The Management is responsible for the design and implementation of the internal procedures, systems, processes and controls to ensure compliance with the Directions on an ongoing basis. This responsibility also includes reporting non-compliances, if any, to the National Housing Bank (“the Bank”), Board of the Company and its Audit Committee.

Auditors' Responsibility

Our responsibility is to report on the matters specified in Paragraph 70 of the Directions based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI). Those involves performing procedures to obtain audit evidence about the compliance with the Directions. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the information and records, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the Company's compliance with the Directions in order to design audit procedures that are appropriate in the circumstances. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our report. We conducted our examination in accordance with the Guidance Note on Audit Reports and Certificates issued for Special Purpose by the Institute of Chartered Accountants of India.

Conclusion

Based on our examination of the books and records of the Company as produced for our examination and the information and explanations provided to us, we report that:

- (1) The Company had applied for registration as required under Section 29A of the National Housing Bank Act, 1987 and has been granted the certificate of registration dated October 27, 2016. In Financial Year 2019-20, the Company has been converted from private limited to public limited (through revised certificate of incorporation dated 24th February, 2020) and thus, it has applied to Reserve Bank of India for fresh certificate of registration vide their application letter dated 27th February, 2020. The fresh certificate of registration is received dated 12th August, 2020.
- (2) The Company is meeting the required Net Owned Fund as prescribed under Section 29A of the National Housing Bank Act, 1987.
- (3) The Company has complied with Section 29C of the National Housing Bank Act, 1987.
- (4) The total borrowings of the Company are within the limits prescribed under paragraph 27.2 of the Directions.

- (5) The Company has complied with the prudential norms on income recognition, accounting standards, asset classification, loan-to-value ratio, provisioning requirements, disclosure in the balance sheet, investment in real estate, exposure to capital market, engagement of brokers and concentration of credit / investments as specified in the Directions.
- (6) The capital adequacy ratio as disclosed in the return submitted to the National Housing Bank has been correctly determined and such ratio is in compliance with the minimum capital to risk weighted asset ratio as prescribed by the Directions.
- (7) The Company has furnished to the Bank within stipulated period the schedule II return for the half year ended on 30th September, 2021 as specified in Directions. The Company has furnished provisional Schedule II return to the Bank for the half year ended on 31st March, 2022 as at the date of our report.
- (8) The Company has furnished to the National Housing Bank within stipulated period the schedule III returns on Statutory Liquid Assets as specified in the Directions.
- (9) The Company has complied with the requirements relating to opening of new branches / offices or closure of existing branches / offices as specified in the Directions.
- (10) The Company has not given any loans against security of shares, loans against security of single product (Gold / Jewellery) and loans against Company's own shares.
- (11) The Board of Directors of the Company has passed a resolution for non-acceptance of any public deposits.
- (12) The Company has not accepted any public deposits during the year ended and as at 31st March 2022.

Restriction of use

This report is issued pursuant to the requirement as per Paragraph 70 of the Directions and should not be used by any other person or for any other purpose. We neither accept nor assume any duty or liability for any other purpose or to any other party to whom our report is shown or into whose hands it may come without our prior consent in writing.

Movement in working capital - total	(5,069.02)	(10,489.27)
Interest income on loan received	5,735.03	5,038.61
Interest expenses on borrowings paid	(1,978.58)	(1,086.77)
Cash used in operations	(3,099.62)	(7,740.90)
Direct taxes paid (net of refunds)	(504.33)	(547.98)
Net cash used in operating activities (A)	(3,603.95)	(8,288.89)
B. Cash flow from investing activities :		
Purchase of PPE (Net)	(198.17)	(24.82)
Proceeds from / (Purchase of) Mutual Funds (Net)	3,899.70	(9,372.34)
Fixed Deposits matured / (placed) (Net)	(252.21)	(1,086.08)
Net cash generated from / (used in) investing activities (B)	(3,449.32)	(10,483.25)
C. Cash flow from financing activities :		
(Repayment) / proceeds from issuance of Debt Securities	(815.93)	4,715.48
Proceeds from Other Borrowings	1,085.43	13,904.15
Repayment of lease liabilities	(102.85)	-
Net cash generated from financing activities (C)	166.65	18,619.63
Net increase/(decrease) in cash and cash equivalents (A)+(B)+(C)	12.03	(152.50)
Cash and cash equivalents as at the beginning of the year	7.32	159.83
Cash and cash equivalents as at end of the year	19.35	7.32

Notes:

(I) Components of cash & cash equivalents at the year end	March 31, 2022	March 31,2021
Cash on hand	6.80	7.17
Balance with banks in current accounts	12.55	0.15
Deposits with maturity less than 3 months	-	-
Total	19.35	7.32

(ii) Cash Flow Statement has been prepared using Indirect Method prescribed under Ind AS 7.

(iii) Reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities are as below :

Rs. In Lakhs

	As at March 31, 2021	Cash flow	Fair Value Charges	Current / Non-Current Classification	As at March 31, 2022
Borrowings - Non Current	20,703.63	1,085.43	-	-	21,789.06
Borrowings - Current	9,070.50	(815.93)	-	-	8,254.57

Notes forming part of Financial Statements for the year ended on March 31, 2022

1. Corporate Information

KIFS Housing Finance Limited (the Company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act. The Company is a non-deposit taking Housing Finance Company registered with the National Housing Bank (NHB) and is governed by the regulatory framework for Housing Finance Companies (HFCs) as issued by Reserve Bank of India (RBI) and other directions, regulations and circulars issued by NHB. The Company's registered office is at B-81, Pariseema Complex, C.G. Road, Ellisbridge, Ahmedabad, India. The principal place of business of the Company is at C-902, Lotus Corporate Park, Graham Firth Compound, Western Express Highway, Goregaon (East), Mumbai. The principal business is providing finance to individuals, corporates and developers for the purchase, construction, development and repair of houses, apartments and commercial properties in India. The Company also provides loans for specified purposes against the security of immovable property. The Board of Directors approved the financial statements on May 27, 2022.

2. Basis of Preparation & Presentation of Financial Statements

2.1 Statement of Compliance

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) as notified under section 133 of the Companies Act, 2013 ('the Act') read with Companies (Indian Accounting Standards) Rules, 2015 and amendments issued thereafter and the provisions of the RBI on the historical cost basis except for certain financial instruments that are measured at fair values. The financial statements have been prepared on a going concern basis.

Effective April 1, 2020, the Company adopted Ind AS and the adoption was carried out in accordance with Ind AS 101, 'First-time Adoption of Indian Accounting Standards', with April 1, 2019 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended (IGAAP).

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Act. The Statement of Cash Flows is prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

The Company presents its Balance Sheet in the order of liquidity. An analysis regarding recovery or settlement within 12 months after the reporting date and more than 12 months after the reporting date is presented in Note 29.

Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing Ind AS requires a change in the accounting policy hitherto in use.

2.2 Functional and presentation currency

The Company prepares its financial statements in Indian rupees (Rs) which is the functional and presentation currency. The Company presents its balance sheet in the order of liquidity. Amounts in the financial statements are presented in Indian Rupees in lakhs rounded off to two decimal places as permitted by Schedule III to the Act. Per share data are presented in Indian Rupee to two decimal places.

2.3 Basis of measurement

The Financial Statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. The fair value hierarchy is based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 – Inputs, other than quoted prices included within level 1, that are observable for the asset or liability either directly or indirectly.
- Level 3 – where unobservable inputs are used for the valuation of assets or liabilities.

2.4 Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions to accounting estimates are recognised prospectively. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

- Valuation of financial instruments
- Measurement of expected credit loss
- Provisions and contingencies
- Income tax and deferred tax
- Useful lives of property, plant and equipment and intangible assets
- Measurement of defined employee benefit obligations

3. Significant Accounting Policies

3.1 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company, the revenue can be reliably measured, and there exists reasonable certainty of its recovery.

3.1.1. Interest income

Interest income on financial instruments is recognised on a time proportion basis taking into account the amount outstanding and the effective interest rate ('EIR') applicable. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Penal Interest/late payment interest and cheque bounce charges are recognized on receipt basis.

The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets measured at Fair Value through Profit and Loss ("FVTPL"), transaction costs are recognised in the statement of profit and loss at initial recognition.

The Company calculates interest income by applying EIR to gross carrying amount of financial assets other than credit-impaired assets. For credit impaired financial assets, the Company calculates interest income by applying the EIR to the amortized cost (i.e. gross carrying amount less allowance for expected credit losses) of the financial asset. If the financial assets cures and is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

3.1.2 Dividend

Dividend income is recognised when the Company's right to receive the dividend is established.

3.1.3 Fee and Commission Income

Fee and commission income include fees other than those that are an integral part of EIR. The Company recognises the fee and commission income in accordance with the terms of the relevant contracts/ agreement and when it is probable that the Company will collect the consideration.

3.1.4 Other Income

Other Income represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

3.2 Property, plant and equipment

Property, plant and equipment (PPE) is recognised when it is probable that future economic benefits associated with the item is expected to flow to the Company and the cost of the item can be measured reliably. PPEs are stated at cost less accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price (net of trade discounts and tax/duty credits availed) and directly attributable cost of bringing the asset to its working condition for its intended use. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

PPEs not ready for the intended use on reporting date are disclosed as “Capital work-in-progress”.

An item of PPE is derecognised upon disposal or when no future economic benefits are expected to arise from its continued use. Any gain or loss arising on the disposal or retirement of PPE is determined as the difference between the sales proceeds and its carrying amount and is recognised in the statement of profit and loss.

3.3 Intangible assets

An intangible asset is recognised, only where it is probable that future economic benefits attributable to the asset will accrue to the Company and the cost can be measured reliably. Intangible assets are stated at cost, less accumulated amortisation and impairment losses, if any. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on reporting date are disclosed as 'Intangible Assets under Development'.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Any gain or loss arising on the disposal or retirement of intangible asset is determined as the difference between the sales proceeds and its carrying amount and is recognised in the statement of profit and loss.

3.4 Depreciation and amortization

Depreciation on PPE is recognised on straight-line basis over the useful life prescribed under Schedule II to the Companies Act, 2013. Depreciation for additions/deductions during the year is calculated pro-rata to the period of use. Assets costing up to Rs. 5000 each is depreciated fully in the year of purchase. The residual value and useful life and method of depreciation are reviewed at each financial year-end with the effect of changes recognised prospectively.

Improvements of immovable nature at the leasehold properties are depreciated over the initial lease period.

Intangible assets are amortized over the expected duration of benefit on a straight-line basis. Amortisation for additions/deductions during the year is calculated pro-rata to the period of use. Software cost related to computers is capitalized and amortised using the straight-line method over a period of three years. The residual value and useful life and method of amortisation are reviewed at each financial year-end with the effect of changes recognised prospectively.

3.5 Impairment of PPE/Intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognised in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

3.6 Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank (including demand deposits) and in hand and short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.7 Statement of cash flow

Statement of Cash flows is reported using indirect method whereby profit for the period is adjusted for the effects of the transactions of non-cash items, such as depreciation, amortisation, provisions, unrealised gains and losses, any deferrals or accruals of past or future operating cash receipts and payments and items of income or expenses associated with investing and financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.8 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares, except where the result would be anti-dilutive.

3.9 Borrowing costs

Borrowing costs include interest expense calculated using the EIR on respective financial instruments measured at amortised cost. The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts.

3.10 Goods and Services Input Tax Credit

Goods and Services tax input credit is recognised in the period in which the supply of goods or service received is recognised and when there is no uncertainty in availing/utilising the credits.

3.11 Income taxes

Current Tax

Current tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity, respectively.

Deferred Tax

Deferred tax is recognised in profit or loss, except when it relates to items that are recognised in other comprehensive income or directly in equity, in which case, the deferred tax is also recognised in other comprehensive income or directly in equity, respectively. Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rules and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets and deferred tax liabilities are offset when there is legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Unrecognised deferred tax assets are re-assessed at each reporting date, and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

3.12 Employee Benefits

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits includes performance incentive and compensated absence that are expected to be settled wholly within 12 months after the end of the reporting period in which employees render the related service.

Long-term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date, based on actuarial valuation.

Provident fund

Retirement benefit in the form of provident fund is a defined contribution scheme. All employees of the Company are entitled to receive benefits under the Provident Fund. The Company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

Gratuity

The costs of providing benefits under the plan is determined based on actuarial valuation at each year-end. Independent actuary using the projected unit credit method carries out valuation at the end of each reporting date. Re-measurement are recognised in other comprehensive income and is reclassified to profit or loss in a subsequent period. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of planned assets.

3.13 Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and if the effect of the time value of money is material, provisions are discounted using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. The company does not recognize a contingent asset but discloses its existence in the financial statements.

3.14 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) Loans sanctioned but not disbursed and undisbursed amount of sanctioned loans;
- b) Estimated amount of contracts remaining to be executed on capital account and not provided for;
- c) Uncalled liability on shares and other investments partly paid;
- d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

3.15 Segment Reporting

The Company's main business is financing by way of loans for the purchase or construction of residential houses, commercial real estate and certain other purposes. The Company operates within India only. All other activities of the Company revolve around the main business. This in the context of 'Ind AS 108 – Operating Segments' reporting is considered to constitute one reportable segment.

3.16 Foreign currencies

Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the rates prevailing at the year-end. Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

3.17 Lease

The Company has various lease arrangements for many assets including properties. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. At the commencement of the lease, the Company recognises a Right-of-Use (ROU) asset and a corresponding lease liability for all lease arrangements, except for leases with a term of twelve months or less (short-term leases) and low value leases. As a lessee, the company recognises a right-of-use asset and a lease liability at the lease commencement date. The ROU is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset/site on which it is located, less any lease incentives received.

The ROU asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the future lease payments, discounted using the incremental borrowing cost. Lease payments included in the measurement of the lease liability comprise the Fixed payments, including in-substance fixed payments. The lease liability is measured at amortised cost using the effective interest method.

When the lease liability is remeasured, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. The company presents right-of-use assets as part of PPE and lease liabilities as part of 'other financial liabilities' in the balance sheet.

Short-term leases and leases of low-value assets

For low-value assets and short-term leases, lease rentals are recognised in the statement of profit and loss on accrual basis.

3.18 Financial Instruments

3.18.1 Recognition and initial measurements

Loans are recognised when fund transfer is initiated or disbursement cheque is issued to the customer. The Company recognises debt securities, deposits and borrowings when funds are received by the Company. The company recognizes all other financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

All financial assets and liabilities are recognized at fair value on initial recognition. Transaction costs and revenue that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to or deducted from the fair value of financial assets or financial liabilities on initial recognition. Transaction costs and revenue directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

- If fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognised in the statement of profit and loss on initial recognition (i.e. day 1 profit or loss);
- In all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. day 1 profit or loss will be deferred by including it in the initial carrying amount of the asset or liability).

After initial recognition, the deferred gain or loss will be recognised in the statement of profit and loss on a rational basis, only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

3.18.2 Classification and subsequent measurement of Financial Assets and Liabilities

3.18.2.1 Financial Assets

The Company classifies and measures all its financial assets based on the business model for managing the assets and the asset's contractual terms, either at:

- Amortised cost
- Fair Value through Other Comprehensive Income
- Fair Value through Profit and Loss

3.18.2.1.1 Amortized cost

The Company classifies and measures Cash and Bank balances, Loans, Trade Receivable and other financial assets at amortised cost if

- these are held within a business model whose objective is to hold the asset in order to collect contractual cash flows and
- the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest.

3.18.2.1.2 Financial assets at fair value through other comprehensive income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest.

3.18.2.1.3 Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are

- Assets with contractual cash flows that are not SPPI; and/or
- Assets that are held in a business model other than held to collect contractual cash flows or held to collect and sell; or
- Assets designated at FVTPL using the fair value option.

These assets are measured at fair value, with any gains/losses arising on remeasurement recognised in the statement of profit and loss.

3.18.2.1.4 Business Model Test

The Company determines the business model at a level that reflects how financial assets are managed together to achieve a particular business objective. The Company's business model does not depend on management's intentions for an individual instrument, therefore the business model assessment is performed at a higher level of aggregation rather than on an instrument-by-instrument basis.

At initial recognition of a financial asset, the Company determines whether newly recognised financial assets are part of an existing business model or whether they reflect a new business model. The Company reassesses its business model at each reporting period to determine whether the business model has changed since the preceding period. For the current and prior reporting period the Company has not identified a change in its business model.

3.18.2.1.5 Solely Payments of Principal and Interest ("SPPI") on the principal amount outstanding

For an asset to be classified and measured at amortised cost or at FVOCI, its contractual terms should give rise to cash flows that meet SPPI test. For the purpose of SPPI test, principal is the fair value of the financial asset at initial recognition. That principal amount may change over the life of the financial asset (e.g. if there are repayments of principal). Interest consists of consideration for the time value of money, for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as a profit margin. The SPPI assessment is made in the currency in which the financial asset is denominated. Contractual terms that introduce exposure to risks or volatility in the contractual cash flows that are unrelated to a basic lending arrangement, such as exposure to changes in equity prices or commodity prices, do not give rise to contractual cash flows that are SPPI.

3.18.2.1.6 Subsequent Measurement and Gain and Losses

Financial Assets at Amortised Cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income and impairment loss are recognised in statement of profit and loss. Any gain or loss on derecognition is recognised in statement of profit and loss.

Debt Instrument at FVOCI

These assets are subsequently measured at fair value. Interest income and impairment loss are recognised in statement of profit and loss. Any gain or loss on subsequent measurement is recognised in OCI and on derecognition the cumulative gain or loss recognised in OCI will be recycled to statement of profit and loss.

Equity Instrument at FVOCI

Gains and losses on equity instruments at FVOCI are never recycled to the statement of profit and loss. Dividends are recognised in profit or loss as dividend income when the right of the payment has been established. Equity instruments at FVOCI are not subject to an impairment assessment. Profit or loss on sale of investments is determined on First in First out (FIFO) basis.

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gain and losses, including any interest or dividend income, are recognised in statement of profit and loss. Profit or loss on sale of investments is determined on

3.18.2.1.7 Reclassifications

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. During the current financial year and previous accounting period

3.18.2.2 Financial liabilities and equity instruments

The Company classifies these instruments as financial liabilities or equity instruments in accordance with the substance of the contractual terms of the instruments.

Equity

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the face value and proceeds received in excess of the face value are recognised as securities premium.

Financial liabilities

The Company's borrowings include debentures, borrowings from banks, etc. Borrowings are initially measured at fair value plus directly attributable transaction costs and subsequently measured at their amortised cost using the effective interest rate method.

3.18.3 Impairment and write-off

The Company recognises loss allowances for Expected Credit Losses (ECL) on the financial instruments that are not measured at FVTPL. ECL is required to be measured through a loss allowance at an amount equal to:

- 12-month ECL, i.e. loss allowance on default events on the financial instrument that are possible within 12 months after the reporting date, (referred to as Stage 1); or
- Lifetime ECL, i.e. lifetime ECL that results from all possible default events over the life of the financial instrument, (referred to as Stage 2 and Stage 3).

A loss allowance for lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECL is measured at an amount equal to the 12-month ECL.

The Company has established policy to perform an assessment at the end of each reporting period whether a financial instrument's credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the remaining life of the financial instruments. The Company applies a three-stage approach to measure ECL.

Stage 1: 12-months ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognized. Exposures with days past due (DPD) less than or equal to 30 days are classified as stage 1.

Stage 2: Lifetime ECL – not credit impaired

For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognized. Exposures with DPD greater than 30 days but less than or equal to 90 days are classified as stage 2.

Stage 3: Lifetime ECL – credit impaired

Financial asset is assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For financial asset that have become credit impaired, a lifetime ECL is recognized on principal outstanding as at period end. Exposures with DPD more than 90 days are classified as stage 3.

A loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment.

Methodology for calculating ECL

The Company determines ECL based on a probability-weighted outcome of factors indicated below to measure the shortfalls in collecting contractual cash flows. The Company does not discount such shortfalls considering relatively shorter tenure of loan contracts.

Probability of default (PD) - The probability of default is an estimate of the likelihood of default over a given time horizon (12- month or lifetime, depending upon the stage of the asset).

Exposure at default (EAD) - It represents an estimate of the exposure of the Company at a future date after considering repayments by the counterparty before the default event occurs.

Loss given default (LGD) - It represents an estimate of the loss expected to be incurred when the event of default occurs.

The measurement of ECL is calculated using three main components: (i) probability of default (PD) (ii) loss given default (LGD) and (iii) the exposure at default (EAD). The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD. The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdowns of committed facilities. The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

ECL is recognized on EAD as at period end. If the terms of a financial asset are renegotiated or modified due to financial difficulties of the borrower, then such asset is moved to stage 3, lifetime ECL under stage 3 on the outstanding amount is applied.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when:

Quantitative test: Accounts that are more than 30 days past due move to Stage 2 automatically. Accounts that are more than 90 days past due move to Stage 3 automatically.

The definition of default for the purpose of determining ECLs has been aligned to the Reserve Bank of India definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due.

The measurement of all expected credit losses for financial assets held at the reporting date are based on historical experience, current conditions and reasonable and supportable forecasts. The measurement of ECL involves increased complexity and judgement, including estimation of PDs, LGD, a range of unbiased future economic scenarios, estimation of expected lives and estimation of EAD and assessing significant increases in credit risk.

Considering the prudence, the Company recognizes impairment on financial asset on higher of the provision required as per the directions issued by Reserve Bank of India or using expected credit loss (ECL) model as prescribed in Ind AS for the financial assets which are not fair valued. The expected credit losses (ECLs) is recognized based on forward-looking information for all financial assets at amortized cost, no impairment loss is applicable on equity investments.

At the reporting date, an allowance is required for the 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognized for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3).

Forward looking information

While estimating the expected credit losses, the Company reviews macro-economic developments occurring in the economy and market it operates in. On a periodic basis, the Company analyses if there is any relationship between key economic trends like GDP, unemployment rates, benchmark rates set by the RBI, inflation, etc. with the estimate of PD, LGD determined by the Company based on its internal data. While the internal estimates of PG, LGD rates by the Company may not be always reflective of such relationships, temporary overlays are embedded in the methodology to reflect such macro-economic trends reasonably.

Write off

Impaired loans and receivables are written off, against the related allowance for loan impairment on completion of the Company's internal processes and when the Company concludes that there is no longer any realistic prospect of recovery of part or all of the loan. A write-off constitutes a de-recognition event. The Company has a right to apply enforcement activities to recover such written off financial assets. Subsequent recoveries of amounts previously written off are credited to the income statement.

3.18.4 Modification and derecognition of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date. The Company renegotiates loans to customers in financial difficulty to maximize collection and minimize the risk of default. A loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness).

Not all changes in terms of loans are considered as renegotiation and changes in terms of a class of obligors that are not overdue is not considered as renegotiation and is not subjected to deterioration in staging.

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when obligation specified in the contract is discharged or cancelled or expires.

3.18.5 Collateral Valuation and Repossession

The Company physically repossess properties and engages external agents to recover funds, generally at auction, to settle outstanding debt. Any surplus funds are returned to the customers/obligors. As a result of this practice, the residential properties under legal repossession processes are not recorded on the balance sheet and not treated as non-current assets held for sale.

3.18.6 Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amounts of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

3.19 Off-setting

Financial assets and financial liabilities are offset and the net amount is presented in the balance sheet when the company currently has a legally enforceable right to offset the recognised amount and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

30. Earnings Per Share

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Basic		
Net profit as per statement of Profit & Loss	1,283.01	1,768.27
Profit available to equity shareholders	1,283.01	1,768.27
Weighted average number of equity shares outstanding during the year (in Nos.)	249,986,552	249,986,552
Basic earnings per share of face value of Rs. 10 each (Rs.)	0.51	0.71
Diluted earnings per share of face value of Rs. 10 each (Rs.)	0.51	0.71

The Company is not having any instruments, which are dilutive in nature.

There are no instruments outstanding that could potentially dilute basic earnings per share in the future and were not included in the calculation of diluted earnings per share because they are anti-dilutive for the period(s) presented.

There were no transactions that have occurred after the reporting date that would have changed significantly the number of ordinary shares outstanding or potential ordinary shares outstanding at the reporting date.

31. Segment Reporting

The Company is engaged in lending business. The Company provides mortgages loans (home loan, loan against properties, construction reality) and operates within India only. The Board of the Company reviews the Company's performance as a single business. There being only one segment, disclosure for segment is not applicable.

32. Standard issued but not effective

Ministry of Corporate Affairs (MCA) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Rules, 2022. The effective date for adoption of these amendments is annual period beginning on or after April 1, 2022. The amendments to INDAS are as below.

- (i) Ind AS 16 – Property, Plant and Equipment
- (ii) Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets
- (iii) Ind AS 103 - Reference to Conceptual Framework
- (iv) Ind AS 109 - Annual Improvements to Ind AS (2021)

34. Capital management

The Company maintains an actively managed capital base to cover risks inherent to the business and is meeting the capital adequacy requirements of Reserve Bank of India (RBI). The adequacy of the Company capital is monitored using, among other measures, the regulations issued by regulators. The Company has complied in full with all its externally imposed capital requirements over the reported periods.

Rs. in Lakhs

Particulars	As at March 31, 2022	As at March 31, 2021
Debt	30043.63	29,774.13
Equity	29849.82	28,544.48
Debt to equity ratio	1.01	1.04

Loan covenants

Under the terms of the major borrowing facilities, the Company has complied with the covenants throughout the reporting period.

35. Contingent liabilities and commitments

Management has assessed the possible obligations arising from claims against the Company in accordance with the requirements of Indian Accounting Standard (Ind AS) 37 and based on judicial precedents, consultation with lawyers and/or based on its historical experiences. Accordingly, management is of the view that based on currently available information, no provision in addition to that already recognised in its financial statements is considered necessary in respect of the above.

Loan commitments

The Company has outstanding undrawn commitments to provide loans to customers. These loan commitments aggregated to Rs. 5378.03 lakhs as at March 31, 2022 (March 31, 2021: Rs. 7,842.28 lakhs). Further, the commitments have fixed expiration dates and are contingent upon the borrower's ability to maintain specific credit standards.

Capital commitments

The Company is obligated under various capital contracts. Capital contracts are work/purchase orders of a capital nature, which have been committed. Amount of contracts remaining to be executed on property, plant and equipment aggregated to Nil as at March 31, 2022 (March 31, 2021: Rs. 4.76 lakhs).

36. Leases

The Company has taken various office premises under lease. The lease terms in respect of such premises are on the basis of individual agreements entered into with the respective landlords.

Movement in carrying value of right of use assets is given below.

Rs. in Lakhs

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Opening balance	239.93	316.29
Addition	543.29	-

- spent Rs.5.00 lakhs towards Hunger Free Palghar, an initiative by Govardhan Annakshetra, ISKCON.

Related Party Transactions & Provision

The Company has neither made any CSR contribution towards its related parties nor has recorded any provision for CSR expenditure during the financial years ended March 31, 2022 and March 31, 2021.

38. Offsetting financial assets and financial liabilities

Financial assets and financial liabilities are subject to offsetting where there is a legally enforceable right to set-off recognised amounts and the Company intends to either settle on a net basis or to realise the asset and settle the liability simultaneously. As at March 31, 2022 and March 31, 2021, there was no offsetting of financial assets and financial liabilities.

39. Financial Risk Management

Financial Instruments Risk management objectives and Policies

Liquidity Risk

The table below provide details regarding the contractual maturities of financial liabilities as at March 31, 2022

Rs. in Lakhs

Particulars	Upto 1 year	1-3 year	3-5 year	Over 5 years	Total
Borrowings	4,416.32	9,180.12	6,746.72	2,497.72	22,840.88
Debt securities	1,825.32	2,074.23	-	-	3,899.55
Total	6,241.64	11,254.35	6,746.72	2,497.72	26,740.43

The table below provide details regarding the contractual maturities of financial liabilities as at March 31, 2021

Rs. in Lakhs

Particulars	Upto 1 year	1-3 year	3-5 year	Over 5 years	Total
Borrowings	4,238.41	7,076.97	5,096.58	4,631.80	21,043.76
Debt securities	827.28	3,888.20	-	-	4715.48
Total	5,065.69	10,965.17	5,096.58	4,631.80	25,759.24

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness.

The maximum exposure to the credit risk is as follows:

Rs. in Lakhs

Particulars	As at March 31, 2022	As at March 31, 2021
Other Receivables	3.88	103.72
Loans	48,254.26	44,392.96
Other Financial Assets	125.44	96.75

For the loan portfolio, an impairment analysis is performed at each reporting date based on the facts and circumstances existing on that date to identify expected losses on account of credit risk. For the purposes of this analysis, the loan portfolio is categorised into groups based on days past due. Each group is then assessed for impairment using the ECL model as per the provisions of Ind AS 109 - financial instruments. The impairment assessment is also carried out in accordance with the regulations prescribed by RBI. The provision for impairment is considered at higher of the amount worked out as per Ind AS 109 and as per RBI Regulations.

Reconciliation of gross carrying amount of loan portfolio

Rs. in Lakhs

Fair value measurement of financial assets and financial liabilities

The Fair value of loan given and funds borrowed approximates the carrying value as the respective interest rates of the said instruments are at the prevailing market rate of interest.

The carrying amount of other financial assets and other financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

During financial year ended March 31, 2022 and March 31, 2021, the Company has not reclassified any of financial assets from one category to another category. Hence, fair value hierarchy is not given for the same.

42. Retirement Benefits

Defined benefit plan:

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility:

The plan liabilities are calculated using a discount rate set with references to government bond yields; this may carry volatility and associated risk.

Inflation risk:

The present value of some of the defined benefit plan obligations are calculated with reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability. The post retirement medical benefit obligation is sensitive to medical inflation and accordingly, an increase in medical inflation rate would increase the plan's liability.

Life expectancy:

The present value of defined benefit plan obligation is calculated by reference to the best estimate of the mortality of plan participants, both during and after the employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Gratuity benefit liabilities of the company are unfunded.

The following tables set out the status of the gratuity plan as required under Ind AS 19.

Rs. in Lakhs

The principal assumptions used in determining gratuity obligation for the company's plans are shown below:

Rs. in Lakhs

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Discount rate per annum	7.25% p.a	6.85% p.a
Rate of Salary increment	7.00% p.a	7.00% p.a
Employee turnover rate	15.00% p.a. at younger ages reducing to 2.00% p.a.% at older ages	15.00% p.a. at younger ages reducing to 2.00% p.a.% at older ages
Mortality Rate	Indian Assured Lives Mortality (2012-14)	Indian Assured Lives Mortality (2012-14)

Projection Risks:

Interest Risk - A decrease in the bond interest rate will increase the plan liability.

Longevity Risk - The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary Risk - The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Maturity profile of defined benefit obligations

Rs. in Lakhs

Particulars	As at March 31, 2022	As at March 31, 2021
Maturity benefits payable in future years from the date of reporting

(b)	Debt –Equity Ratio	Total Debt (Borrowing + Debentures)	30043.63	29774.13	Shareholder's Equity	29849.82	28544.48	1.01	1.04
(c)	Total debts to total assets	Total Debt (Borrowing + Debentures)	30043.63	29774.13	Total Assets	61784.68	60651.92	0.49	0.49
(d)	Operating margin	Profit before tax	1619.38	2213.27	Total Income	6535.21	5816.22	24.78%	38.05%
(e)	Net profit margin	Profit after tax	1283.01	1768.27	Total Income	6535.21	5816.22	19.63%	30.40%
(f)	Gross stage 3 loans to gross loans	Gross stage 3 loans	528.59	364.72	Gross Loans outstanding	49131.28	45122.48	1.08%	0.81%
(g)	Net stage 3 loans to net loans	Gross NPA less NPA Provision	302.48	205.86	Sum of Stage 1,2,3 Loans Less Stage 3 Provision	48905.37	44964.15	0.62%	0.46%

Reason for change in ratios by more than 25% :

(a) Operating margin (% change : 34.88%) :

Due to prevailing COVID-19 situations & nationwide lockdown throughout the country in earlier months of F.Y 2021-22, there has been a temporary impact on the repayment ability of the customers which has impacted income. Further, due to expansion of business at several new locations (within India), there has been an increase in total expenses made by the company which has resulted in decrease of profit.

(b) Net profit margin (% change : 35.43%)

Due to prevailing COVID-19 situations & nationwide lockdown throughout the country in earlier months of F.Y 2021-22, there has been a temporary impact on the repayment ability of the customers which has impacted income. Further, due to expansion of business at several new locations (within India), there has been an increase in total expenses made by the company which has resulted in decrease of profit.

(c) Gross stage 3 loans to gross loans (% change : 33.33%) :

Due to prevailing COVID-19 situations & nationwide lockdown throughout the country in earlier months of F.Y 2021-22, there has been a temporary impact on the repayment ability of the customers which has resulted in increase of the Gross non-performing assets.

(d) Net stage 3 loans to net loans (% change : 34.78%)

Due to prevailing COVID-19 situations & nationwide lockdown throughout the country in earlier months of F.Y 2021-22, there has been a temporary impact on the repayment ability of the customers which has resulted in increase of the Gross non-performing assets.

94. No Scheme of Arrangements has been approved by the Competent Authority in terms of sections 230 to 237 of the Companies Act, 2013

95. (i) The Company has not advanced or loaned or invested funds (either borrowed funds or share premium or any other sources or kind of funds) to any other person(s) or entity(ies) including foreign entities (intermediaries) with the understanding that the intermediary shall :

- (a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
- (b) Provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

(ii) The Company has not received any fund from any person(s) or entities (ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall

- (a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
- (b) Provide any guarantee, security or the like to or on behalf of the ultimate beneficiaries

96. There is no income surrendered or disclosed as income during the year in tax assessments under the Income Tax Act, 1961 (such as search or survey), that has not been recorded in the books of account.

97. The Company has not traded or invested in Crypto or Virtual Currency during the year.

98. Previous financial year figures have been reclassified/regrouped/restated to conform to current financial year's classification.

8. The Members will be allowed to pose questions during the course of the Meeting. The queries can also be given in advance at secretarial@kifshousing.com
9. Corporate members intending to appoint their authorized representatives to attend the Meeting are requested to submit to the Company a certified copy of the Board Resolution authorizing their representatives to attend and vote on their behalf at the AGM.
10. All the documents referred to in Notice and Explanatory Statement are open for inspection by the members at the registered office of the Company on all working days during business hours and will also be available at the request by a member of the Company.
11. The Notice calling the AGM has been uploaded on the website of the Company at <https://www.kifshousing.com/>.

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

Agenda Item No. 4 & 5

The members of the Company at its previous Annual general Meeting held on July 01, 2021, had approved by way of a Special Resolution under Section 180(1)(c) of the Companies Act, 2013, borrowing limits over and above the aggregate of paid up share capital and free reserves of the Company provided that the total amount of such borrowings together with the amounts already borrowed and outstanding at any point of time shall not be in excess of Rs. 1000 crore (Rupees One Thousand crore) for the FY 2021-2022.

However the borrowings of the Company for the FY 2021-2022 has yet not reached the limit and the Company would continue to borrow funds to meet the increased business volumes and growth of the Company, thus it is necessary that the borrowing powers shall remain same so as to match the business targets.

The Board of Directors of a Company shall not, except with the consent of Company by Special Resolution borrow money together with the money already borrowed, if any (apart from temporary loans obtained from the Company's bankers in the ordinary course of business), exceeding the aggregate of the paid up capital and its free reserves as per the provisions of Section 180(1)(c) of the Companies Act, 2013 ("the Act") and its rules thereunder.

Hence, the consent of the Members is therefore sought to pass Special Resolution under Section 180(1) (c) of the Act, as set out in item no. 4 of the notice, to enable the Board of Directors to borrow monies and inter alia, authorized the Board to secure its borrowing by way of mortgage / charge on the assets of the Company, which shall not exceed the maximum limit prescribed by Reserve Bank of India i.e. 12 times of Net Owned Fund or a sum of Rs. 1000 crore, whichever is less, subject to RBI Directions for the FY 2022 - 2023.

In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting.

None of the Directors, Key Managerial Personnel or their relatives are interested, except to the extent of their equity shareholding in the company or has any concern or interest in respect of the above mentioned Special Resolution.

The Board recommends the **Special Resolution** as per the accompanying Notice, for approval by the Members of the Company.

Agenda Item No. 6

The Company will be granted a Loan by the Lenders enabling the company run its operation besides restructuring the existing debt in line with the debt repayment capability of the Company.

A Facility Agreement will be executed with the lender, which, inter alia, contains a clause that in case of default of payment of any dues to the Lenders in accordance with the terms of the above Agreement or failure by the promoters for timely payment of moneys and continuance of the same, the Lenders can exercise various rights as a consequence of event of default including exercise of their rights of conversion of debt into equity called as 'Conversion Right'. It is also agreed that the Lenders shall reserve the right to sell equity shares to any person without limitation, under applicable laws.
